2. We certainly will be interested in any information that Lewis will be able to supply on the Photogrammetry Congress.

3. Let me express my appreciation for your continued interest in our problem and your efforts on our behalf. I am especially grateful for your assistance to Doug during his visits [REDACTED] We realize that periodic visits do not provide the complete answer to the problem of contact [REDACTED] on this effort; however, I do feel there are considerable advantages even in this limited type of liaison.
